

Europal – Forklift Driver / Warehouse Operator - Flexijob

Forklift Driver / Warehouse Operator - Flexijob

As a Forklift Driver / Warehouse Operator, you are responsible for the safe and efficient movement of goods within the warehouse and production environment. Your tasks include loading and unloading trucks, organising and storing products in the warehouse, and supplying materials to different departments. You will also drive our light delivery vehicle (750 kg, Category B driving licence) and take care of loading and unloading it.

Why are you our new Power Player?

Job description

- Operate forklift and reach truck equipment to move, load and unload goods.
- Inspect forklift and reach truck equipment and report any defects or technical issues.
- Load and unload trailers to and from the warehouse.
- Work closely with colleagues and other departments to ensure smooth logistics operations.
- Register incoming and outgoing goods.
- Perform routine maintenance checks on forklift and reach truck equipment.
- Transport goods using our light delivery vehicle (750 kg).

Skills and qualifications

- Valid forklift and reach truck certificates.
- Previous experience as a forklift and reach truck operator.
- Able to work independently as well as part of a team in an efficient and organised manner.
- Basic computer skills (Microsoft Office 365) for scanning and registering goods.
- Basic knowledge of English is an advantage but not essential.

What's in it for you?

- You'll work in a small team with short communication lines, where your contribution has a direct impact.
- Competitive package: a flexi-job complemented by **€10 meal vouchers per working day**.
- Working hours: **Monday to Friday, 7:30 AM - 11:30 AM** (negotiable).
- Workplace: **Ostend, Belgium**.
