

Europal – Prevention Advisor

Prevention Advisor

In this role, you operate at the crossroads of technology, people and regulations. You support the employer in making a difference when organizing a safe and healthy working environment. You collaborate smoothly with different departments and people.

Responsibilities:

- Safety and prevention:
 - Analyze safety and health risks in the workplace
 - Raise awareness among employees and develop campaigns to reduce the number of workplace accidents
 - Organize trainings and information sessions
 - Prepare risk analyses and post intervention files
 - Write and update procedures and manuals
 - Create and maintain the risk matrix
 - Develop, implement and evaluate the safety policy

- Chair of the Committee for Prevention and Protection at Work
 - Global action plan
 - Annual report

- Audits
 - You take the lead and guide colleagues through the audit process

- Leadership
 - You coach your team members

Why are you our new Power Player?

- You hold at least a bachelor's degree supplemented with a Prevention Advisor certificate level 1 or level 2
- You can express yourself fluently in both French and Dutch
- Experience in a production environment is required
- You have experience with audits including ISO 9001
- Collaboration, including with different departments, comes naturally to you
- You are cost conscious and think along in terms of production optimization
- In communication you are able to present yourself convincingly
- You are flexible to travel between our different sites in Mouscron and Blandain (sometimes Kortrijk) to work from there

What's in it for you?

- A challenging job with development opportunities aligned with your ambitions
- A modern working environment with many contacts
- A no nonsense company culture where family entrepreneurship and customer focus are central
- The HR policy strongly focuses on a positive team spirit as well as continuous training through the Europol Academy

- A solid organization with a long term perspective and ambitious growth plans
- Europol offers you an attractive salary package including extra legal benefits
